About ICS

InfiniSource Consulting Solutions, Inc. (ICS) provides a wide variety of professional services solutions that support government business initiatives. As a trusted and proven partner to our defense and federal civilian agency customers, ICS is committed to delivering mission-matched solutions that increase efficiencies and enhance performance, while reducing costs. The ICS approach has been instrumental in meeting the needs of our diverse government customer base. Whether providing strategic solutions for military installations or providing the right professional services staff to federal civilian customers, ICS collaborates with our clients to meet or exceed mission requirements. We combine proven process management and operational agility to enable our customers to achieve their mission goals, strengthening national security and improving the government services provided to the citizens of the United States.
